A Winning Bet in Nevada Baccarat

Edward Thorp, William Walden

A Winning Bet in Nevada Baccarat Edward Thorp, William Walden

Backed by meticulous research coupled with pragmatic real-life application, *A Winning Bet in Nevada Baccarat* is the definitive guide to using mathematics to gain the upper hand in betting. In this book, you will find techniques comparable to those Edward Thorp proved in his revolutionary book *Beat the Dealer*. Thorp and William Walden, two leading mathematical experts, have developed a betting system for Nevada Baccarat that is your key to gaining an edge.

Thorp has shown time and again his skill in exploiting mathematical anomalies. Both in the stock market-where his legendary hedge funds have consistently trounced market returns decade after decade-and the casino, Thorpe has turned his mathematical prowess into a practical, reproducible system of winning plays. The strategy behind this ingenious system for Nevada Baccarat is clearly and succinctly laid out as the system for placing a winning bet. Accompanied with extensive diagrams, charts, and mathematical formulas, this method for success in gambling again proves revolutionary. Using tested scientific methods, *A Winning Bet in Nevada Baccarat* will show you how to:

- Understand the fundamentals of Nevada Baccarat
- Recognize when the side bet has a positive expectation
- Use ruin probabilities to stay on top in the game
- Determine when to bet on the Banker and when to bet on the Player
- Calculate when to stop playing to minimize loss

By recognizing the similarities between Nevada Baccarat and Blackjack, a highly-analyzed game, the authors have applied their expertise in applied mathematics in order to win bets on the fast-paced Nevada Baccarat. Drawing off the effective Kelly system for betting, *A Winning Bet in Nevada Baccarat* further develops a system through sound mathematics for a simpler method to place better bets and avoid financial ruin.

For players new to the game of Nevada Baccarat, or experienced players who wish to gain an advantage through a proven mathematical approach, *A Winning Bet in Nevada Baccarat* is an essential read.
