Bad Karma David Safier

This debut novel follows the trials and tribulations of Kim Karlsen, a television personality whose career obsession brings her some serious cosmic repercussions. In her quest to dominate the airwaves, Kim cheats on her husband, neglects her daughter, and mistreats her staff. It all seems worth it when she wins the biggest German Television Award, but sadly on the very same night she is crushed to death by debris falling from a Russian space station....At the gates of Heaven, Kim is informed that she has collected too much bad karma in her life, and has a long road of atonement ahead. Reincarnation as an ant teaches her a few lessons in humility, and she experiences life as a guinea pig and as a beagle before regaining human form just in time to sabotage the marriage of her husband to her back-stabbing best friend.
