Communities around the world are entering a new era of community building. Whether improving economic conditions and reducing poverty, re-energizing citizens and social programs, reducing crime, or revitalizing a troubled neighborhood, they are engaging people from all sectors as never before to work together as equals to improve their quality of life.

?

At the heart of this engagement are community conversations, in which common goals are embraced by a diverse array of people with different backgrounds and needs, and influencers are drawn from multiple sectors, including community organizations, the various levels of government, and businesses big and small.

?

Full of informative and inspiring examples of collaboration, *Community Conversations* captures the essence of creating such conversations and offers ten practical techniques to host conversations in your community.

?
