Same date; six different years, the Time Patrol must save our timeline from the Shadow by preserving our past. Nine-Eleven is a day that reverberates in our collective conscious. But is a date of significance throughout history. On Nine-Eleven 9 A.D., three Roman legions were annihilated by an alliance of Germanic tribes; the Romans would never again attempt to expand east of the Rhine River. On Nine-Eleven 1973, a military coup in Chile, engineered by the United States, toppled the elected President and eventually brought Pinochet to power. On Nine-Eleven 1857, over 100 emigrants were slaughtered in the Mountain Meadows Massacre in Utah. On Nine-Eleven 2011, over 3,000 Americans were killed in the word terrorist attack in our history. All of these events, and others on the same day, are being manipulated by the SHADOW in an attempt to change our history. It is up to the Time Patrol to send an agent back to six different years on Nine Eleven and make sure our timeline remains intact. If they fail, our present will snap out of existence!
