No More Hell starts off with Mercedes plotting with her former husband's lover to expose his secret life style. These two strangers are bound together by a single goal but by very dissimilar motivations for wanting Terry to face the facts of his complicated situation. Now as this saga of the Eleven Months of Hell trilogy continues we find Mercedes in a situation where she's very unsure of what will happen next but determined to get her revenge at all cost. China Ball's first two novels were invited as nominees to the NAACP Image Awards for 2009 for Eleven Months of Hell & in 2010 for After the Hell .
