2015 USA Book Award Finalist in the "Fiction: Religious" category. Exploring the mysteries of their Sovereign and His creation, a chosen troupe of angels delves into the questions surrounding their mission to man. "Winds of Eternity *The Angel Chronicles*," gives a voice to the purposeful silence within the first five chapters of Genesis. While expounding the venues of Heaven, they also address the insurrection of Lucifer; the fall and subsequent suffering of man; the "why" of Cain; and the wonder of the relationship between Adam and Eve. The Angel Chronicles offers a compelling look at the beginning of time, from the perspective of the angels. The angels in Winds of Eternity share their front row seat with us as they wrestle with their perspective on what is unfolding.
