The Bright and Beyond Reading deck is for children 5-9 (Kindergarten through 3rd grade). The fun and creative activities in this deck will develop Pre-Reading Skills, Rhyming, Phonics, Word Recognition, Vocabulary, Handwriting, Sequencing, Comprehension, and Alphabetizing. Parents (or teacher) can develop a tailored approach based on the child's specific needs or skills. Little planning is required as most activities set up in moments with materials found right around the home.

Illustrated learning ideas on cards mean short, simple instructions, easy sorting, and quick visual cues to understanding the activity. For less than 19-cents per idea, parents are provided with quality, interactive, back-to-basics play and learning activities. One small package provides years of fun learning and play-time ideas. The primary goals of childhood are to grow, learn, and play. Learning through play is beautifully achieved with the activities in the "Bright and Beyond" decks. A parent (or other caring adult) is a child's favorite plaything. "Bright and Beyond" decks allow parents and children to play and spend time with their favorite people – each other.
