This at-your-fingertips, quick reference to nearly 200 common landscape perennials is your go-to guide. Featuring one plant per page, it provides stunning color photos of foliage, bloom and habit, making it easy to quickly identify perennials in any season. Information includes common and Latin plant names, as well as a pronunciation guide; brief descriptions of flowers, foliage, size and shape; bloom time; recommended garden use; hardiness zones and special requirements. Also included is a useful glossary - in both English and Spanish. Keep it in your pickup or at the drawing table for on-the-spot plant ID. Or use it in the garden center to help you select the right plant for the right place. Landscaper, student or buyer, you'll find this handy guide to be your trusted reference.
