Earth, Air, Fire and Custard Tom Holt

J.W. Wells seemed to be a respectable establishment, but the company now paying Paul Carpenter's salary is in fact a deeply sinister organisation with a mighty peculiar management team.

Paul thought he was getting the hang of it (particularly when he fell head over heels for his strangely alluring colleague Sophie), but death is never far away when you work at J.W. Wells. Unlike the stapler - that's always going awol. Our lovestruck hero is about to discover that custard is definitely in the eye of the beholder. And that it really stings.

Tom Holt's exceedingly comic fantasies are populated with evil goblins, annoying sprites and people like us. However, it's not always possible to tell the difference.
