Secrets and Lies: Surviving the Truths That Change Our Lives Jane Isay

Secrets and Lies is a compellingly readable journey into the realm of family secrets, offering lessons and insights for those who are hiding the truth and for those who discover what has long been hidden.

Jane Isay was both a secret finder and a secret keeper. After fifteen years of marriage, her husband revealed he was gay, but together they decided to keep it a secret for the sake of their two sons. Building on her personal experience, sixty intimate interviews, and extensive research into the psychology of secrets, Isay shows how the pain of deception can be lightened by full disclosure, genuine apology, and time. Though secrets can damage our sense of self and our relationships, Isay shows how people can survive even the most disturbing revelations.

From reader reviews:

Jessica Henriquez:

Nowadays reading books be than want or need but also be a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The data you get based on what kind of publication you read, if you want get more knowledge just go with education and learning books but if you want truly feel happy read one along with theme for entertaining like comic or novel. Often the Secrets and Lies: Surviving the Truths That Change Our Lives is kind of e-book which is giving the reader erratic experience.

Richard Powe:

This Secrets and Lies: Surviving the Truths That Change Our Lives is great book for you because the content which can be full of information for you who have always deal with world and get to make decision every minute. This kind of book reveal it info accurately using great organize word or we can say no rambling sentences included. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but tough core information with wonderful delivering sentences. Having Secrets and Lies: Surviving the Truths That Change Our Lives in your hand like getting the world in your arm, facts in it is not ridiculous one particular. We can say that no book that offer you world with ten or fifteen tiny right but this publication already do that. So , this really is good reading book. Hey Mr. and Mrs. stressful do you still doubt which?

John Schreiber:

It is possible to spend your free time to read this book this book. This Secrets and Lies: Surviving the Truths That Change Our Lives is simple to deliver you can read it in the park your car, in the beach, train along with soon. If you did not have got much space to bring often the printed book, you can buy often the e-book. It is make you quicker to read it. You can save the particular book in your smart phone. Consequently there are a lot of benefits that you will get when you buy this book.

Karen Johnson:

This Secrets and Lies: Surviving the Truths That Change Our Lives is brand new way for you who has fascination to look for some information mainly because it relief your hunger of information. Getting deeper you in it getting knowledge more you know otherwise you who still having bit of digest in reading this Secrets and Lies: Surviving the Truths That Change Our Lives can be the light food for you because the information inside this kind of book is easy to get by anyone. These books produce itself in the form which is reachable by anyone, sure I mean in the e-book application form. People who think that in reserve form make them feel drowsy even dizzy this e-book is the answer. So there is absolutely no in reading a publication especially this one. You can find actually looking for. It should be here for you actually. So , don't miss it! Just read this e-book kind for your better life as well as knowledge.
