Longlisted for the Man Booker Prize.

“Kennedy’s prose is lively and assured.” —*The New York Times Book Review*

A good man in a bad world, Jon Sigurdsson is fifty-nine and divorced, a senior civil servant in London who hates many of his colleagues and loathes his work for a government engaged in unmentionable acts.

Meg Williams is a bankrupt accountant—two words you don’t want in the same sentence, or anywhere near your résumé. She’s forty-five and shakily sober, living on Telegraph Hill in London, where she can see the city unfurl below her.

Somewhere out there is Jon, pinballing around the city with a cell phone and a letter-writing habit he can’t break. He’s a man on the brink, leaking government secrets and affection for a woman he barely knows as he runs for his life.

Poignant, deeply funny, and beautifully written, *Serious Sweet* is about two decent, damaged people trying to make moral choices in an immoral world, ready to sacrifice what’s left of themselves for honesty and for a chance at tenderness. As Jon and Meg navigate the sweet and serious heart of London—passing through twenty-four hours that will change them both forever—they tell an unusual and moving love story.
