Angels Gather Here: Nine Angelic Aspects of Human Life on Planet Earth Guru Singh

We are the ultimate manifestation of an infinite and glorious GOD-mind. Before coming to Earth, we consciously roamed as Spirit in the cosmic spheres collecting the purpose-filled elements and values to build our physical, emotional, and mental bodies in a fervent drive to exist. This drive was coming from the depths of our spiritual DNA—ancient messages, vital dreams, perspectives of purpose—all combining into a great potential life. Now that we have this life, we have at our disposal the incredible technology of the physical—as well as the cosmic—realm to draw from. One of these realms, most helpful to our life on Earth, is the Angelic one. To master this incomparable opportunity of being alive, being on Earth, being magnificent, and being human—Angels gather around us in legions to assist our journey. Angels know the purpose and the dreams in the depths of our hearts. This book is filled with mantric messages that can help us to help them to do just that. Calling on your Angels will find magic working for you, in you, and all around you...all the places that the Angels gather.
