Bali: A Paradise Created Adrian Vickers

To this "old Bali" has been added the lush and erotic Bali of the European imagination - the tropical paradise that in the 1930s became an extension of salon life for the rich and famous, providing inspiration for artists and Hollywood writers. During the 1960s, "hippie" surfers discovered Bali's beaches, waves and cheap digs, and today young European, Australian and Japanese visitors barter for bargains and dance till dawn on Kuta Beach. Tourists, students and armchair travelers alike will appreciate the fresh insights which this book brings to the history and culture of a traditional island faced with a massive invasion of paradise-seekers. After reading this book, your view of Bali will never be quite the same again!
