Dr. Ernest J. Planck, a brilliant researcher in the field of regenerative medicine, has mastered the art of growing replacement parts for those injured in combat or by accident. However, growing replacement parts takes time, and for wounded soldiers time is often in short supply. So Dr. Planck has partnered with neuroscientist Dr. Karen Calloway to go further and perfect a method to restore the sick and wounded to health from within. But why stop at repair when the body can be enhanced and shaped however one desires?
