Économie internationale (French Edition)

Paul Krugman, Marc Melitz, Maurice Obstfeld

Économie internationale (French Edition) Paul Krugman, Marc Melitz, Maurice Obstfeld

Célébré pour sa rigueur et la clarté de son propos, ce livre constitue un support de formation et d'information indispensable. Écrit par les plus grands experts de la discipline, il traite les deux thèmes de l'économie internationale : le commerce international et la finance internationale. Parmi les sujets couverts : les théories liées au commerce : productivité au travail, distribution des revenus, économies d'échelle. L'application de ces théories à l'analyse des politiques commerciales : instruments de la politique commerciale, politique commerciale dans les pays émergents, etc. Les théories macro-monétaires internationales : balance des paiements, taux de change, taux d'intérêt. L'application de ces théories aux problèmes de politique monétaire internationale : politique macroéconomique, marché international des capitaux, croissance et réformes dans les pays émergents. Ce manuel fait l'objet d'une adaptation minutieuse aux spécificités francophones et européennes. Il prend en compte les craintes de dumping social au sein de l'UE, la politique agricole, les politiques régionales, la gestion de la zone euro. Chaque chapitre est illustré par de nombreux exemples et encadrés explicatifs et se termine sur une série d'exercices d'application et de réflexion.

From reader reviews:

Rose Villegas:

Have you spare time for a day? What do you do when you have considerably more or little spare time? Sure, you can choose the suitable activity regarding spend your time. Any person spent their very own spare time to take a walk, shopping, or went to the actual Mall. How about open as well as read a book called Économie internationale (French Edition)? Maybe it is to become best activity for you. You understand beside you can spend your time together with your favorite's book, you can more intelligent than before. Do you agree with it has the opinion or you have other opinion?

Robert Nguyen:

The book Économie internationale (French Edition) give you a sense of feeling enjoy for your spare time. You need to use to make your capable considerably more increase. Book can to become your best friend when you getting tension or having big problem together with your subject. If you can make examining a book Économie internationale (French Edition) to get your habit, you can get much more advantages, like add your current capable, increase your knowledge about several or all subjects. You may know everything if you like wide open and read a e-book Économie internationale (French Edition). Kinds of book are several. It means that, science reserve or encyclopedia or other folks. So , how do you think about this book?

Sharyl Nettles:

Nowadays reading books be a little more than want or need but also be a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want send more knowledge just go with training books but if you want feel happy read one having theme for entertaining including comic or novel. The actual Économie internationale (French Edition) is kind of publication which is giving the reader unforeseen experience.

Lillie Stein:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Économie internationale (French Edition) can make you experience more interested to read.
