## **Doctor Who and the State of Decay: A 4th Doctor Novelisation** Terrance Dicks

Geoffrey Beevers reads this exciting novelization of a 1980 TV adventure featuring the Fourth Doctor, as played by Tom Baker. The Doctor, Romana, and K9—and a young stowaway called Adric—are trapped in the alternative universe of E-Space. Seeking help, they land on an unknown planet. There they find a nightmare world where oppressed peasants toil for the Lords who live in the Tower, and where all learning is forbidden: a society in a state of decay. What is the terrifying secret of the Three Who Rule? What monstrous creature stirs beneath the Tower, waking from its thousand year sleep? The Doctor discovers that the oldest and deadliest enemy of the Time Lords is about to spring into horrifying action. John Leeson provides the Voice of K9. Duration: 4 hours approx.
