## **Hitchhikers In Each Other's Mind** Jim Meaders

Hitchhikers in Each Other's Mind is the sequel to The Summer of My Fourteenth Year. It picks up James' story three years later when he is in his first term of his senior year of high school. This is the Fall term of 1966. The only characters that carry over from the first book are James, his parents, and one brief run in with another "reptilian alien thing." As in Summer, some of the other characters in this story were based on individuals that I had interactions with in high school and beyond and some are purely fictional. Once again, the names have been changed to protect the guilty. Many of the names are anagrams for actual names and thus they may sound a little strange. Maybe you will find it challenging to figure those out (e.g., Mrs. Tinmoor is an anagram for "monitor"). Once again, I hope you enjoy reading my little piece of fiction as much as I enjoyed writing it. Jim Meaders
