An extraordinary value at the price, this compact, easy-to-use reference offers boaters a complete set of full-color navigation charts for the 1,090-mile Intracoastal Waterway, running from Norfolk to Miami, as well as charts for all the major Atlantic inlets en route. This edition has been fully updated through late 2001 and now features a larger size to allow chart segments to be presented at the same scale as the original NOAA charts from which they are reproduced.
