Just a Little Girl: How a Clinical Death Brought a Teenage Girl Face-to-Face With An Angel and Head-to-Toe with Her Faith Victoria Sarvadi

When eighteen-year-old Victoria dies in the ICU and encounters an angel that gives her a prophetic mandate from God, her insatiable quest for spiritual enlightenment begins. As compelling as any contemporary novel, this dramatic and inspiring true story is a roller-coaster ride through supernatural experience, denominational enlightenment, and a teenage marriage that not only survives the loss of a child but thrives through unbeatable odds.

Shining a fresh light on the theology of a Jewish Jesus, the author deftly weaves the history of the Christian faith from its genesis of the first century to the present-day Greco-Roman Christianity?all the while giving us an up close and personal glimpse of an extraordinary life.

A devoted wife, mother of six, and grandmother of nineteen, Victoria refuses to succumb to age and limitations. Far from *Just a Little Girl*, Victoria Sarvadi's unconventional journey from teenage motherhood to Hebraic scholar and teacher will captivate and consume you from start to finish.
