Miami: Mediterranean Splendor and Deco Dreams Beth Dunlop

Miami is a world-renowned, cosmopolitan city with an architectural history to match. Its many treasures include not only Miami Beach's Art Deco buildings and Coral Gables, but also the houses and commercial buildings of the immediate postwar era, tropical vernacular architecture, mid-century modernism, and avant-garde high-rise buildings on the waterfront. What all these creations have in common is the intention to allure, delight, and engage the imagination and senses. Indeed, many of Miami's architects have conceived of the city in theatrical terms—a city as stage set. This book covers both well-known masterpieces and the overlooked ones, featuring spectacular color photography as well as archival imagery. With a text that is superbly informed, Miami is at once a definitive scholarly work and a seductive compendium of the area's fabled architecture.
