Hidden within the senses between the sublime and the incomprehensible is the most important piece of spiritual knowledge any of us will ever find. In this hauntingly beautiful and compelling new book, Kay Whitaker goes far beyond her previous work. In Sacred Link the Hetakas, in their unpredictable and delightful style, throw Whitaker into the middle of their terrifying yet wondrous and irresistible dance that pushes her perception past its restraints, unleashing the staggering effects of the senses of the spirit. As Whitaker is empowered by the gifts of non-ordinary reality she sees how our dominant cultures have created a numbing, destructive prison that has kept the human race captive for eons and totally unaware of the power, opportunity and extraordinary beauty that it hides from itself. Whitaker discovers that by igniting our physical senses, not only women, but all people can take the Hetakas' guaranteed ride into Forbidden Paradise.
