## **The Champions of Truth: Or: How I Saved the World From My Basement Apartment (Volume 1)**

Mordechai Yashin

Congratulations and welcome to the first day of the rest of your life! This Sophisticated Cosmic "BETWEEN LIVES" adventure will rock your boat and keep you afloat! If you're looking for a Real, Happy, Inter-Dimensional Amusement Park ride that doesn't stop, DESTINY HAS BROUGHT YOU TO THE RIGHT BOOK. This is the first of a seven-book series that will KEEP YOUR ATTENTION! The timing of this book seems to be perfectly in tune with many countries finally openly admitting to "Quantum UFO Disclosure." It's the perfect introduction to the worldwide disclosure of UFO activities and existence of off-planet species that most countries have held back in "heavy denial," not to mention the further verification of Angels and Archangels, which never really needed exposure or DISCLOSURE! The entire galaxy actually comes alive with the real true personalities of these Celestial, Galactic and Ascended Master characters! This could be considered an intriguing guidebook for all of us that are constantly distracted by chaos and uncertainty. It's a Light-filled Cosmic perspective brought about through dreams and the gift of inceptions! YOU SEE, we truly do not know what we do not know! This novel will not only give us all a clue, but it will spark our IMAGINATION. It will spark our INTRIGUE. It will spark our ENTHUSIASM! And most tearfully important, it will spark our HEARTS!!!! You might even end up with a GALACTIC NEUROSIS!!! You know that most of us are nurturing a GALACTIC NEUROSIS in our sub-conscious and super-conscious. WE JUST NEED THAT SPARK TO LIGHT IT UP - BRING IT out OUTRAGEOUSLY! Like it says on the back cover: you will not be able to put this novel down! THIS BOOK IS DEFINITELY WORTH THE PRICE OF ADMISSION!!! Enjoy the ride! The Author
