This omnibus contains the final two Chanur novels, *Chanur's Homecoming* and *Chanur's Legacy*. This groundbreaking series chronicles the compelling first contact between humans and multiple alien races, and is noted for its unique viewpoint: that of the alien protagonists.

These two books feature the adventures of Tully, the only human crewmember of the spaceship *Pride of Chanur*; the ship's hani captain, Pyanfar; and Hilfy Chanur, Pyanfar's niece and crewmember who goes on to become the captain of her own ship, *Chanur's Legacy*. They must navigate delicate interstellar politics and interspecies conflict, even as the fate of worlds hangs in the balance.
