Extrait: ...had to be confirmed by the Emperor. The salvation came through the regular clergy, who had more resolutely broken with the sinful world. § 2. The Regular Clergy: Cluny And Citeaux. The monks of the West had already fulfilled great tasks. They had tilled the land, they had spread the faith, and they had kept alive a flickering tradition of ancient culture. All the more spiritual and more orderly elements sought the cloister. Monasticism, like all other forms of life, received an extraordinary impetus from the Renaissance of the eleventh and twelfth centuries. Although most of the Western monasteries followed the rule of Saint Benedict, each had an independent existence. But the need for federation was felt. Cluny. The communities were organized--at times not without resistance--into vast "congregations" or orders, under a single head. This movement originated at Cluny, in Burgundy, a Benedictine abbey created in 910. Under Peter the Venerable (1122-56), the Cluniac order counted 2,000 monasteries, and had become the chief ecclesiastical power in Christendom. Hildebrand (Gregory VII), who did so much to reform the Church, enforce celibacy, check the spread of simony, assert the independence, nay, the supremacy, of the spiritual power, sought his inspiration from Cluny, and found his mainstay in that great organization.1 Thus did the Benedictines of Cluny stand for Christianity in all its primitive austerity, although without any morbid asceticism. But to them also did success bring the taint of worldliness--wealth and ambition. The great church at Cluny was the largest in Christendom. The abbey could entertain, at the same time, Pope, King, and Emperor, with their several retinues....
