Excerpt from Oliver Cromwell: Popular History; The Most Extraordinary Man That Great Britain Ever Produced Lord Protector of England the Most English of Englishmen the Earnest Advocate of the Rights of Conscience

The object of this volume is to give a popular outline of the History of Oliver Cromwell, who, it is allowed on all hands, was in many respects, the most extraordinary man that England ever produced. Like all prodigies who from a low beginning have risen to elevated rank, he had ardent friends and most violent enemies; and hence the record of his life, in most instances, has either been an undistinguishing eulogy or a furious invective. During most part of two centuries, the name of the greatest man of his age, and one of the noblest of any age, has been associated with all the infamy that belongs to a life-long career of unmitigated hypocrisy and insatiable ambition. But in this as in all other instances where the truth is sacrificed in the interest of parties, a strong reaction took place, as soon as the bias was removed which had perverted at once the judgment and feelings of the people. Truth at length began to prevail, and Cromwell's own prophetic hope is attaining fulfillment: "I know God has been above all ill reports and will in his own time vindicate me."
