Peace Angels Antoinette Sampson

An exceptional book that will touch and inspire everyone. Peace Angels is a remarkable and moving combination of pictures and words with an inspiring message - that the peace of angels is always near. Through a series of 90 beautiful photographs and accompanying text, the book documents our journey from birth, when we are so aware of angels' presence, through the time of life when we forget their existence, to the later part of our years when we seek their reassurance and peace once again. Peace Angels is a gentle reminder that whoever we are, at whatever phase of our lives, we are never alone.
