Point & Click Linux! Robin Miller

This book is a simple, highly illustrated introduction to the Linux Desktop for Windows users. It is filled with screenshots and short, easy-to-follow descriptions that teach readers how to replace common Windows programs with user-friendly Linux equivalents. It covers a wide range of topics including email, web-browsing, word processing, spreadsheets, slide presentations, graphics, instant messaging, digital photography, digital music, CD burning, personal finance, games and more. Readers can actually watch Miller do all of this with the integrated videos on DVD. And the "Point and Click Linux" guarantee ensures that readers will have Linux up and running in 5 minutes with the bootable Mepis Linux CD. Leo Laporte will write the Forward and provide a cover endorsement.
