The Earth Moved: The Earth Moved Mrs Row Smith

In April 2015, Row and Tom Smith were trekking through Nepal on the adventure of a lifetime when suddenly the earth began to move. Trapped in the mountains, desperately trying to avoid violent avalanches and gaping crevasses, their holiday quickly turned into a battle for survival. Along their journey, Row and Tom befriended local villagers and other trekkers from around the world. The devastation and destruction of the earthquake ruined many of these people's lives, but it also brought many people together. Row's incredible story and that of many of the people they met along the way will leave you breathless. All proceeds from the book will be donated to CAN (Community Action Nepal - UK registered charity number: 1067772) who will help Nepal rebuild.
