## **Adventures of Professor Petey** Stephen K. Scott

When my Grandson Peter Scott, affectionately known as “Petey,” was five years old, he was a most confident and creative little person. He was very bright and knew everything (just ask him). When he was four he proudly announced that he was much smarter than me. In fact, (in his mind), he might have been the only five year-old with advanced degrees. Thus was born the idea for “The Amazing Adventures of Professor Petey” – stories playfully conjured up by Pete, with photos mostly provided by his Mom, and shamelessly embellished by his Papa (me). Professor Petey leads many secret lives and moves effortlessly through one escapade after another. Join us now on an exhilarating trip into the bizarre, the mysterious, and the unknown!
