## **Cambridge Ghosts** Robert Halliday, Alan Murdie

Cambridge University is the most haunted university in the world: ghosts have been reported here and in the surrounding countryside from the 13th century up to the present day. Cambridge Ghosts is a comprehensive guide to the phantoms and paranormal phenomena that have been witnessed and experienced in the colleges of the university, the ancient houses of the city, the streets and open spaces, and some surprisingly modern buildings. It also introduces the reader to writers of classic ghost stories who have been inspired by the historic university. Fully researched by the authors, Cambridge Ghosts is the most detailed work ever published on the city's spectral population and is guaranteed to fascinate the reader.
