Crochet is one of those hobbies that has stood the test of time. In a world that is embracing the finer arts more and more, it is growing ever the more popular. This is a skill that is important to know as there isn't a single machine on earth that has the ability to create the same stitches.

You can think about that when you see all of the crocheted items in the store, and see the price tag that goes along with them. It's a no wonder that a crochet item costs so much more, knowing that anything crochet has to be done exclusively by hand.

In this book, you are going to have access to the finest crochet projects that are simple enough anyone can do them, yet elaborate enough to garnish the finest of houses.

You know your kitchen is going to look so much better with dishcloths and washcloths that are all created by hand. Or you know you are going to feel simply spoiled with a lap throw that you made entirely yourself. This is the perfect opportunity to take things to the next level of custom.

Never again do you have to have the same anything as anyone else. You can make everything just as you want them to be, and only as you want them to be. With this book, you have access to all kinds of patterns that are going to give you exactly what you want.

- Create dishcloths that match your kitchen exactly
- Create lap throws in the colors and shades you want, not just what the store has
- Learn how to make baskets of any size for any need you have
- Learn how to create items to fit what you have or want
- Have fun and explore your creativity
- And more!
