From Bauhaus to Our House

Tom Wolfe

From Bauhaus to Our House Tom Wolfe

Walter Gropius, granddaddy of steel and glass, conceived his architectural vision in the rubble of WW I and the decadence of Weimar in the decade after.

His doctrine found fertile soil in America, where it was time to adopt a clearly defined and suitable representative architecture.

Tom Wolfe, author of *THE PAINTED WORD* and *THE RIGHT STUFF*, treats us to a chronicle of the trends that ultimately brought us the ubiquitous and baffling "glass box" of modern commerce.

"Delightfully witty, biting history of modern architecture...scintillating high comedy of big money, manners and massive manipulation of public taste." (Publishers Weekly)
