From the Depth of My Soul: Poetry Toniajo Ramcharan

My book is about life experiences from way down in my soul as well as life experiences of other people's journey thru life and the struggles men and woman go thru, as well as metaphors titled thoughts for today. Hopefully this book will help someone who has gone thru some stuff, know they are not alone that someone else had the same struggles. If I can bring peace to one person then my living will not have been in vain.
