God's Gonna Trouble the Water: The Healing Power of Words James A. Harrell Jr.

“For an angel went down at a certain season into the pool, and troubled the water: whosoever then first after the troubling of the water stepped in was made whole of whatsoever disease he had” (John 5:4). “Man that is born of a woman is of a few days and full of trouble. He cometh forth as a flower and is cut down. He fleeth also as a shadow and continueth not” (Job 14:1). But a Black child born into a world filled with racism and hatred is full of heartache and pain. He is born into a world where everything “White” is considered right. White is considered pure, righteous, clean, and holy; while Black, on the other hand, is considered vile, evil, wicked, dirty, unclean, and unholy. In God’s Gonna Trouble the Water: The Healing Power of Words, author Harrell will motivate, uplift, inspire, and encourage his brothers and sisters to rise up and grasp the mantle of their heritage and be the people God ordained them to be—a chosen generation, a royal priesthood, a holy nation, a peculiar people. We are all made in God’s image and in God’s likeness.
