Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust.

These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival.

Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.
