Tea: Essence of the Leaf Sara Slavin

Since Bodhidharma's legendary discovery of *Camellia sinensis*, tea has traveled around the globe, sparked rebellions, and spawned fortunes. This eponymous volume unveils the delights and mysteries to be found in the uncomplicated infusion of leaf in water, serving up a sophisticated brew of enticing photographs, evocative poetry and prose, history, myth, and tempting recipes. It explores tea's ability to awaken the body, refresh the senses, and soothe the spirit, whether the brew be black, green, or oolong; sipped hot or iced; steeped in samovar or teapot; served in heirloom porcelain or a simple clay bowl. Delving into the life and lore of tea, we visit Bombay, Beijing, London, Tokyo, and Paris, and hear from the likes of Marcel Proust, Paul Theroux, Amy Tan, and others. From tea house reveries to recipes for Orange Pekoe Compote and Tea Smoked Duck, Tea invites us to revel in the subtle bliss of the world's most popular beverage.

From reader reviews:

Kenisha Perkins:

Do you have favorite book? For those who have, what is your favorite's book? Book is very important thing for us to be aware of everything in the world. Each e-book has different aim or even goal; it means that guide has different type. Some people truly feel enjoy to spend their time and energy to read a book. They are really reading whatever they get because their hobby is definitely reading a book. Consider the person who don't like reading a book? Sometime, man or woman feel need book whenever they found difficult problem or maybe exercise. Well, probably you should have this Tea: Essence of the Leaf.

Robert Brown:

What do you concerning book? It is not important together with you? Or just adding material when you require something to explain what yours problem? How about your free time? Or are you busy man? If you don't have spare time to complete others business, it is make one feel bored faster. And you have time? What did you do? Everyone has many questions above. They need to answer that question due to the fact just their can do that. It said that about book. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this kind of Tea: Essence of the Leaf to read.

Jonathan Ownby:

Exactly why? Because this Tea: Essence of the Leaf is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who have write the book in such remarkable way makes the content inside of easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of positive aspects than the other book include such as help improving your skill and your critical thinking way. So , still want to delay having that book? If I were you I will go to the publication store hurriedly.

Catherine Acevedo:

This Tea: Essence of the Leaf is new way for you who has attention to look for some information mainly because it relief your hunger details. Getting deeper you in it getting knowledge more you know or you who still having little bit of digest in reading this Tea: Essence of the Leaf can be the light food for you personally because the information inside this particular book is easy to get by means of anyone. These books create itself in the form which is reachable by anyone, yes I mean in the e-book contact form. People who think that in reserve form make them feel tired even dizzy this guide is the answer. So there isn't any in reading a guide especially this one. You can find actually looking for. It should be here for an individual. So , don't miss it! Just read this e-book type for your better life along with knowledge.
