Confessions of a Born-Again Pagan Anthony T. Kronman

In this passionate and searching book, Anthony Kronman offers a third way—beyond atheism and religion—to the God of the modern world

“An astonishing, . . . epically ambitious book. . . . An intellectual adventure story based on the notion that ideas drive history, and that to dedicate yourself to them is to live a bigger, more intense life.”—David Brooks, *New York Times*

We live in an age of disenchantment. The number of self-professed “atheists” continues to grow. Yet many still feel an intense spiritual longing for a connection to what Aristotle called the “eternal and divine.” For those who do, but demand a God that is compatible with their modern ideals, a new theology is required. This is what Anthony Kronman offers here, in a book that leads its readers away from the inscrutable Creator of the Abrahamic religions toward a God whose inexhaustible and everlasting presence is that of the world itself. Kronman defends an ancient conception of God, deepened and transformed by Christian belief—the born-again paganism on which modern science, art, and politics all vitally depend. Brilliantly surveying centuries of Western thought—from Plato to Augustine, Aquinas, and Kant, from Spinoza to Nietzsche, Darwin, and Freud—Kronman recovers and reclaims the God we need today.

From reader reviews:

Deborah Hart:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to know everything in the world. Each publication has different aim as well as goal; it means that reserve has different type. Some people sense enjoy to spend their a chance to read a book. They may be reading whatever they consider because their hobby will be reading a book. Think about the person who don't like studying a book? Sometime, person feel need book after they found difficult problem or exercise. Well, probably you should have this Confessions of a Born-Again Pagan.

Dena Jacobs:

A lot of people always spent their free time to vacation or go to the outside with them family members or their friend. Do you know? Many a lot of people spent these people free time just watching TV, or playing video games all day long. If you would like try to find a new activity that is look different you can read a new book. It is really fun for you. If you enjoy the book which you read you can spent the whole day to reading a book. The book Confessions of a Born-Again Pagan it is rather good to read. There are a lot of individuals who recommended this book. They were enjoying reading this book. When you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore very easily to read this book from your smart phone. The price is not too expensive but this book offers high quality.

Anne Hernandez:

Why? Because this Confessions of a Born-Again Pagan is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will shock you with the secret it inside. Reading this book close to it was fantastic author who write the book in such awesome way makes the content interior easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have got such as help improving your skill and your critical thinking technique. So , still want to hesitate having that book? If I were you I will go to the publication store hurriedly.

Frank Jorge:

Is it anyone who having spare time subsequently spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This Confessions of a Born-Again Pagan can be the response, oh how comes? A fresh book you know. You are therefore out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?
