History of Economic Thought

Harry Landreth, David C. Colander

History of Economic Thought Harry Landreth, David C. Colander

An upper-level text, *History of Economic Thought* continues to offer a lively, accessible discussion of ideas that have shaped modern economics. The Fourth Edition has been thoroughly revised to reflect recent scholarship and research, as well as a more pointed focus on modern economic thought. The text remains a highly understandable and opinionated--but fair--presentation of the history of economic thought.
