The Struggle Is One: Voices and Visions of Liberation Mev Puleo

"If I were to choose a single book by means of which to introduce North Americans to the real meaning of liberation theology, it would be this book." -- From the Foreword, Robert McAfee Brown

"More than any other book I know, Mev Puleo's *The Struggle is One*, brings alive the world of liberation theology in contemporary Brazil for the North American reader. We meet the men and women from both the educated elites and the desperately poor *favelas* and rural areas whose burning faith and committed lives are expressed in the continued re-creation of a Christian vision and *praxis* of prophetic struggle." -- Rosemary Radford Ruether

"While other books on liberation theology help us to understand its significance in terms of doctrine, Mev Puleo's *The Struggle is One*, a book full of 'living human documents,' leads us right to the heart of its spirituality." -- Henri Nouwen

"In a way that is difficult to find in other forms, Mev Puleo's book, *The Struggle is One*, presents first hand information by asking incisive questions in a gentle and gracious manner. Members of Christian communities as well as bishops are given a voice. But perhaps what speaks more powerfully are the photographic images. Mev Puleo is an artist who vividly portrays the life and faith of a people." -- Gustavo Gutierrez

"An excellent contribution to liberation theology in Latin America. I strongly recommend it." -- James Cone

"This book puts real faces and vibrant content into liberation theology." -- Harvey Cox
