## **Vikram & the Vampire Or Tales of Hindu Devilry** Burton Sir Richard F

The Baital-Pachisi (Twenty-five Tales of a Vampire) composed in Sanskrit early in the Christian era by the Sage Bhavabhuti is one the masterpieces of Indian literature and one of the best examples of humorous supernatural fiction. In it King Vikram (the King Arthur of India) makes an oath to a magician and has to carry a vampire 4 miles. The vampire will use his skill to arouse the king's curiosity of love, magic and villainy but if the king speaks the vampire flies back to his tree-home and the king has to start all over again. This translation and adaptation is by Sir Richard F. Burton - a great Orientalist and storyteller. Unabridged and unaltered republication of the 1893 edition.
