Woman to Woman: An Original Conversation - Intuition and the Mystical Life Caroline Myss

What if you could live your life in partnership with divinity, using intuition as your guide? According to Clarissa Pinkola Estés, PhD, and Caroline Myss, such a life is possible. In fact, it has been the life that mystics have chosen throughout history, and only one thing is required: the willingness to completely surrender to divine instruction.

Now Caroline Myss and Dr. Estés—two of the country's leading intuitives and bestselling authors—are together for the first time on audio with *Intuition and the Mystical Life*, where listeners join them to explore:

- The difference between instinct and intuition—when to use each of these powerful decision-making tools
- Spiritual emergencies—using the power of prayer for empowerment during these initiations into the next level of divine awakening
- New ways to face the challenges of life's cyclical transitions, and much more

Intuition and the Mystical Life is a special jewel of eloquent teachings by two of the world's most influential women today, who offer listeners useful, down-to-earth advice for surrendering to the process of mystical transformation.
