Christopher Paul Carter

Cosmic Shift: A New Season of Faith Christopher Paul Carter

This book delves into the stars, their meaning, and how they communicate a massive transition in our spiritual life and practices. The old age is passing away, and a new one is dawning this very moment. While the term, "new age" has been around for a while, this book will define what a new age really means from a Biblical and experiential perspective. Historically, these cosmic shifts have brought a drastic restructuring of our spiritual life and practice. They have even ushered in new understandings of the nature of God and Man. This book will challenge both Christians and New Age adherents to reevaluate the future of their beliefs.
