One Year in America Elisabeth Belliveau

Belliveau's story begins with a loss of innocence over ice skater Katarina Witt's fall from grace by posing in Playboy. It is told through both drawings and email text between friends. The story jumps between Canada and the United States and travels abroad navigating life after art school, marriage and divorce. It is a year in a life, but one that is pregnant with memory, meaning and desire. It is a post-modern coming of age story which quite literally crosses boundaries.
