From a bestselling Catholic author! The Antichrist (A Catholic Perspective) deals with Satan, the Antichrist, and their roles at the end of times: a work on the Antichrist in the Bible and through the Doctors of the Church, the mystics, and the saints. A timeless book which does not incorporate recent Bible prophecies about the Antichrist but rather accepted Church teachings and private prophecies which avoid the current fads of messages that try to pinpoint exact daily prophecies with dates and specific times. A recent endorsement: "I have to say that of the many books I have read (having multiple degrees in theology - including my Doctorate from Columbia University) your "They Bore the Wounds of Christ: The Mystery of the Sacred Stigmata..." is one of my all time favorites. In fact not only do I continue to refer to it, but there are certain passages that you explain that could only be attributable to infused divine inspiration. Please continue to write ... Peace, Deacon Mike Vicinanza."
