Animal Grace: Entering a Spiritual Relationship with Our Fellow Creatures Mary Lou Randour

Following close on the heels of Linzey's *Animal Gospel* (LJ 1/00), psychologist and activist Randour's book moves beyond theological and moral assertions of the worth of animals to show how animals can help us heal from illnesses, learn to love, and deal with death itself. Randour's method is more narrative and anecdotal than advisory, but her ardor should be persuasive to many readers. Copyright 2000 Reed Business Information, Inc.
