Come celebrate Nature with me in this beautiful collection of ornate Zen inspired tangles made of flower blossoms, leafy ferns, and the tiny creatures that inhabit them. In this collection of floral tangles I've included a wide variety of flowers from each season including tulips, lilies, roses, daisies, sunflowers, poinsettias, and many more. Hidden within some of these tangles you'll find various insects, tiny hearts symbolizing our love for nature, and inspiring messages just for you! Each unique floral tangle design is hand drawn original artwork by me and has been carefully hand inked just for you to bring to life with vibrant colors.
