Fighting for Devlin: A Lost Boys Novel Jessica Lemmon

“A must-read for everyone who loves to watch a bad boy hero fall to his knees in the name of love.”—Lauren Layne

In a standalone novel that kicks off the irresistible Lost Boys series, a good girl and her boss get wild . . . together.

Devlin Calvary makes his own luck. Abandoned as a child, he was raised with bookies and gamblers. Dev runs and lives above a trendy club the mob subsidizes for him, enjoying the good life and mindless sex with a string of women all too ready to please him. Until, one night, he finds out how much it hurts to trust the wrong people. . . .

Rena Lewis sticks to the straight and narrow, determined not to slip up again . . . like the terrible night of partying four years ago that ended in tragedy. A waitress at Oak & Sage, she knows that sleeping with her boss is not a smart move. But when Dev shows up on her doorstep, beat up and clearly shaken, Rena’s not about to turn him down . . . or kick him out of bed.

Dev reawakens something primal within her—and something protective within himself. And Rena soon finds out that the heart she’d sealed away years ago still has the power to fight for love.
