Knots: The Anthology of Southeastern European Haiku Poetry Editors Jim Kacian, Dimitar Anakiev

This seminal volume is the first collection of contemporary haiku from the war-torn Balkans available in English. Over 2500 poems in 23 languages were considered and translated to arrive at this volume featuring 125 poets and nearly 200 poems. The volume also marks the movement of poets away from Japanese models to a more contemporary and international style of writing.
