## **L'Amour, énergie subtile de la guérison** Leonard Laskow

288pages. 15,5cm x 23,9cm x 1,7cm. broché. petites traces d'usures mineures des plats et des coins un peu frottés sans gravité. Depuis l'origine de l'homme, la notion de guérison -ou, a contrario, de mort -est plus ou moins associée à la notion d'amour. Nulle force n'est comparable à celle-là lorsqu'il s'agit de mettre en route les mécanismes de transformation alchimique qui transmutent la maladie en guérison. Jésus et Bouddha furent de grands guérisseurs par la force de leur amour et de leur foi. Après des siècles de technologie et de positivisme scientifique exclusif, il était temps de retrouver la dimension principielle de l'Amour en tant qu'énergie subtile de guérison et de santé. Et puis, afin de conjuguer les indéniables acquis médicaux occidentaux avec le savoir ancestral des sociétés traditionnelles, il était bon que cette synthèse soit faite par un médecin occidental confirmé, à la formation classique mais à l'esprit ouvert et curieux. Leonard Laskow a su ainsi démontrer combien les conclusions de nos recherches les plus pointues en viennent finalement à confirmer les principes de guérison très anciens. A la lecture de ce livre majeur, on se rappelle que le corps reste avant tout le temple de l'âme et que pour restaurer son unicité, on ne peut l'aborder autrement que dans sa subtile globalité. Mais, là encore, Laskow ne se contente pas de décrire le pouvoir transformateur de la prise de conscience et de la force thérapeutique de l'amour. A travers des exemples, il en apporte les preuves et, surtout, il fournit une série d'exercices faciles et complets permettant à tout un chacun d'expérimenter concrètement ses techniques holoénergétiques de guérison et d'autoguérison. Il associe ainsi la recherche contemporaine aux pratiques les plus ancestrales, et leur fournit un champ d'application utilitaire et quotidien.

### From reader reviews:

#### **George Valentine:**

As people who live in often the modest era should be up-date about what going on or data even knowledge to make all of them keep up with the era which can be always change and advance. Some of you maybe will update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know which you should start with. This L'Amour, énergie subtile de la guérison is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

#### **Christina Moss:**

The book with title L'Amour, énergie subtile de la guérison has lot of information that you can understand it. You can get a lot of advantage after read this book. This kind of book exist new information the information that exist in this e-book represented the condition of the world today. That is important to yo7u to understand how the improvement of the world. This kind of book will bring you with new era of the globalization. You can read the e-book in your smart phone, so you can read the idea anywhere you want.

#### **Jane Kim:**

Your reading 6th sense will not betray anyone, why because this L'Amour, énergie subtile de la guérison reserve written by well-known writer we are excited for well how to make book which might be understand by anyone who all read the book. Written inside good manner for you, dripping every ideas and composing skill only for eliminate your own personal hunger then you still skepticism L'Amour, énergie subtile de la guérison as good book but not only by the cover but also with the content. This is one book that can break don't determine book by its handle, so do you still needing a different sixth sense to pick that!/? Oh come on your examining sixth sense already alerted you so why you have to listening to one more sixth sense.

#### **Wendy Kroll:**

This L'Amour, énergie subtile de la guérison is great guide for you because the content which is full of information for you who else always deal with world and have to make decision every minute. This kind of book reveal it facts accurately using great coordinate word or we can declare no rambling sentences inside it. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but hard core information with beautiful delivering sentences. Having L'Amour, énergie subtile de la guérison in your hand like getting the world in your arm, facts in it is not ridiculous one particular. We can say that no publication that offer you world inside ten or fifteen small right but this reserve already do that. So , this really is good reading book. Hey Mr. and Mrs. occupied do you still doubt this?
