## **Soft** Richard Kern

Beyond traditional portraiture, Richard Kern's new works manifest a strong eroticism while incorporating the cinematic power of his earlier "Transgression" theme. His recent photographs with saturated color and stark, atmospheric lighting accentuate his pretty-but-not-perfect young nudes. Inspired, unique, and "real," his approach is as daring as ever in Soft. Still sticking with the "no airbrush" motto, Kern's unpretentious, honest photos draw the viewer in close.

Kern's longstanding relationship with the "No-wave" scene, which incorporated music, performance, feminist art, and the punk lifestyle, is reflected and distilled in these photographs.
